

together with SMHS & HMS

presents

*Rachel's Challenge: An incredible story
of courage and hope.*

On September 14th and 15th 2009, students of HMS and SMHS will experience Rachel's Challenge, a school program that motivates positive change. Rachel Scott was the first person killed in the Columbine High School Tragedy on April 20, 1999. She left behind an amazing legacy and a simple challenge to anyone who will accept it – *treat others with kindness and compassion and you just may change the world you live in.*

The San Marino community is invited to be a part of this change effort. On the evening of September 15th, a community assembly will be held so that we all can hear Rachel's message and take on her challenge. For more information about this award winning school program that sends the universal message of tolerance, kindness and compassion, please see www.rachelschallenge.com .
